Fall 2018

Open for Business!

The dust was swept away, Reliabankers moved into offices, and contractors and staffers put the finishing touches on the new branch bank in Sioux Falls. "We are proud to say, as of September 12, our 85th and Minnesota location is now open for business," states Mark Lee, Market President of Reliabank. David W Johnson, CEO, is happy that the bank has expanded into the Sioux Falls market. "Reliabank is fortunate to have purchased a location that is so strategically located. In a few years a new beltway (SD Hwy #100) will parallel I-229 and run just south of Wal-Mart. There remains a possibility of an I-29 interchange at 85th Street so as Sioux Falls expands to the south, there will be faster alternatives to Minnesota Avenue to get to our bank."

The new branch marks Reliabank's ninth location in eastern South Dakota. The bank will offer a full suite of financial products and services, as well as personalized customer service that Reliabank is known for. The new branch also houses Reliabank Mortgage and Reliabank Insurance Agency on the second floor.

"It was my idea to construct a building very similar to our Watertown North building with historic timber frame rafters and tumbled brick to establish the Reliabank "look." My sons would not hear of it. *Continued on p.2*

Sioux Falls, continued from p.1

They wanted a bank design that embraces the future with all the technology our bank has offered for years. I think our non-traditional design hits its mark and will be a symbol of our bright future in Eastern South Dakota." Johnson says that a non-traditional bank design is paired with Reliabank's traditional service. "It will be our pleasure to serve you at our newest location with the same quality and service you have come to expect of us."

Committed to our Communities

Reliabank concluded its summer events with serving breakfast or grilling lunch at teacher in-services in Watertown, Hartford, and Tea. We provided the \$5,000 cash prize in KXLG's 99 Days of Summer giveaway and served at the Banquet in Watertown. We hosted our second annual kids back to school bash in Tea and our second annual golf tournament benefiting Make-A-Wish SD. Various communities saw us in parades, and we enjoyed grilling meals for fans before high school football games. During Tea Area and Estelline's Homecoming games, we decorated their football fields with patriotic flags. Our CEO, David W. Johnson, sang the National Anthem at the Minnesota Twins game on June, 13. Reliabankers proudly attended the meet and greet party in Lake Norden that Ella Koistinen and her family had after they returned from their Make-A-Wish vacation to Florida.

Shop Your Local Neighborhood Stores

Small Business Saturday, November 24, encourages holiday shoppers to patronize brick and mortar businesses that are small and locally owned. When you support a small business you are essentially giving money back to your community. A thriving local business will generate high levels of revenue, which means that the business will pay higher taxes, including local taxes. This money is then used for local police and fire departments as well as schools. Join us not just on Small Business Saturday, but every day to help support our locally owned businesses. #shoplocally #banklocally
